

# ARK VETERINARY HOSPITAL

SHELBURNE, VT

Ark Veterinary Hospital in Shelburne is looking for afternoon help with cleaning the facility. They are asking that a candidate be willing to work a few hours at least 3 days a week. The job is primarily cleaning and includes things like cleaning kennel, cages, exam and procedure rooms as well as dusting, washing windows, vacuuming and mopping. They can be pretty flexible around class and exam schedules and the staff is very friendly. The job is mainly cleaning but you may also be asked to assist technicians in holding patients, drawing vaccines and cleaning instruments. If you do your job well there may be opportunities to get a lot of small animal experience.

If you are interested please email a cover letter and resume to the manager Kristen Anderson at [kris@arkveterinary.net](mailto:kris@arkveterinary.net).
