

VET ASSISTANT

LONG TRAIL VETERINARY CENTER – WILLISTON, VT

Long Trail Veterinary Center is a full-service small-animal hospital in Williston, Vermont. Their two-doctor practice is well equipped with advanced integrated technology. They are seeking a vet assistant to support their amazing technicians and doctors while learning the profession. This person will be a team player and an integral member of the hospital team. This person will help create a hospital culture based on high quality patient care and exceptional customer service to meet and exceed client standards. Veterinary medical knowledge is a requirement for this position. Compensation based on experience.
