

RESEARCH ASSISTANT

DIVISION OF OTOLARYNGOLOGY

Job Title: Research Assistant

Division: Division of Otolaryngology

Principal Investigator: Nathan Grohmann, MD, Nathan.grohmann@uvmhealth.org;

Cell: 979-732-7613, Pager: 8722, University of Vermont Medical Center, Division of Otolaryngology, PGY-4

Description: We are looking for an undergraduate interested in the areas of veterinary science, biology, biochemistry, or pre-med to assist with an animal model experiment designed to better understand salivary gland biology in response to radiation.

Time Requirement: Approximately 4 hours per day, 2 days per month, for 9 months.

Education Requirements: You will need to undergo animal care and handling training with the Office of Animal Care Management prior to beginning.

Compensation: This position will pay \$10.75/hour.
