

# VET TECH

## SHELBURNE VETERINARY HOSPITAL

We're a small animal and exotics practice looking for a vet tech to join the team on a part-time, leading into full-time basis. Applicant must be a recent graduate or have full-time availability. The applicant must be self-motivated, detail-oriented, possess strong communication skills and be comfortable handling animals. Duties include hands-on patient care for exams and treatment, drawing blood, administering vaccines, assisting with surgeries and radiographs, answering phones, coordinating patient care with clients, cleaning and performing basic office duties.

If interested, please email [shelburneveterinaryhospital@gmail.com](mailto:shelburneveterinaryhospital@gmail.com) with a cover letter and resume. Attn: Dr. Liam Bisson. Interested applicants are more than welcome to email me with any questions about the job at [aebott@gmail.com](mailto:aebott@gmail.com).
