A Dairy Industry Event with Special Guest Speaker

Dr. Dale E. Bauman
Liberty Hyde Bailey Professor
Department of Animal Science, Cornell University

“Animal Agriculture and Public Perception”

Friday, October 12, 2007
4:30-7:30 PM
Seminar and open discussion with reception to follow

Silver Maple Ballroom
Davis Student Center
University of Vermont
590 Main Street, Burlington, VT

Sponsored by:
UVM Department of Animal Science
and
Vermont Dairy Task Force

For more information contact Dr. Adam Lock at 656-0142 (email Adam.Lock@uvm.edu)
RSVP by October 5, 2007 to Marcia Purvis at 656-2071 (email Marcia.Purvis@uvm.edu)
Dr. Dale E. Bauman is Liberty Hyde Bailey Professor and Professor of Nutritional Biochemistry in the Department of Animal Science and the Division of Nutritional Sciences at Cornell University. He is internationally recognized for his research on metabolic regulation of nutrient use for lactation and growth and has coauthored more than 600 scientific abstracts, articles and reviews. His concepts of metabolic regulation are widely accepted and applied across the spectrum of mammalian biology. His research has also led to the development of new technologies and commercial practices, including the use of bovine somatotropin (rbST) as a management tool by dairy producers. Bauman's current research focus involves regulating animal metabolism to produce animal-derived food products with enhanced beneficial effects for human health. In 1988, Bauman was elected to the National Academy of Sciences. He has also received numerous honors including the Alexander von Humboldt Award for “research considered of greatest significance to U.S. agriculture” and the USDA Superior Service Award. Most recently he was elected to a term as President of the American Society of Nutritional Sciences.

Directions to the Davis Center

From I-89: Take Exit 14 W into Burlington. Head west on Williston Road (US-2). Just past the Sheraton, veer right onto East Avenue and follow signs to the hospital by turning left onto Carrigan Drive. Stay straight through the next light (intersection with Beaumont Drive). When Carrigan Drive ends, turn left (around the rotary). Turn right into the Davis Center oval, which has limited parking spaces, or turn left into the Green and Orange lots which have free parking after 3:30 pm.

Silver Maple Ballroom at the Davis Center

Enter the Davis Center at the main entrance adjacent to the oval (3rd Floor) and proceed upstairs to the 4th floor where the Silver Maple Ballroom is located.
